

Certificate of Judging

April 27, 2026

This certificate is awarded to

Sriram Rajendran

For your contributions as a judge at LA Hacks 2026

Number of teams you visited: 14

Number of teams you submitted evaluation for: 14

Judge evaluated projects over a 2.5 hour judging period.

Judges were expected to submit evaluations for all teams they visited. Each evaluation involved listening to a team's project pitch, engaging in a brief Q&A, and providing thoughtful rankings, with total engagement time per team lasting no longer than 5 minutes.

Your insightful feedback and thoughtful guidance have played a crucial role in shaping the journey of countless participants, sparking creativity, innovation, and bold ideas within our hacking community. By evaluating projects with care and offering constructive mentorship, you have left an indelible mark on this year's event, encouraging participants to push beyond their boundaries and realize their full potential.

This certificate is presented as a testament to your role in the success of LA Hacks 2026. Your commitment to excellence and passion for fostering emerging talent have enriched our event, creating a space where creativity flourishes and future innovators thrive.

On behalf of the LA Hacks organizing committee and the individuals whose journeys you inspired, we extend our deepest gratitude. Your dedication and generosity in sharing your expertise serve as a beacon of inspiration for our community, reminding us of the impact that mentorship and leadership can have in shaping a brighter, more innovative future.
